21.5.2. The provisions of this Agreement which expressly or by their nature are required to survive termination of this Agreement (including but without limitation provisions regarding Warranty, Intellectual Property and Liability) shall survive the expiration or termination of this Agreement.

21.5.5. No damages or other recourses whatsoever (including but without limitation enforcement of this Agreement) shall be due to Supplier, by reason of any termination of this Agreement in accordance with its terms. In particular, but without limitation, Supplier shall not be entitled to any compensation, reimbursement or damage of any kind for any unjust enrichment or tort claim, if any, resulting from the termination of

this Agreement as aforesaid and/or on account of loss of prospective profits or investments and/or loss of goodwill or any other causes.

## 22. RISKS AND LIABILITIES

- 22.1.2. the use of the B.S.T.S and/or any part thereof, when the Damages arise from faulty design (including errors and omissions in design) or workmanship;
- 22.1.3. any damage to property, death or injury to persons, arising out of, or in connection with, the B.S.T.S or the Works;
- 22.1.4. Supplier's breach of any term or provision of this Agreement or any applicable law;
- 22.1.5. any claims against ISR made by any Subcontractor arising from, or in connection with, the Works to be performed by the Subcontractor, including but without limitation any payments related to the Works or any part thereof to any Subcontractor;
- 22.1.6. any negligent or willful act, error or omission by Supplier, its employees, agents, representatives and Subcontractors, in the performance of this Agreement (including, for the removal of doubt, the execution of the Works);

- 22.3.2. Supplier shall, at its sole cost and expense, defend any litigation that may arise from such Proceedings and conduct all negotiations for the settlement of same, provided that any settlement of such Proceedings will be subject to ISR's prior written consent and provided further that Supplier shall not, in connection with such defense and/or settlement (i) injure ISR's reputation; (ii) purport to take any action expressly or implicitly on behalf of ISR; or (iii) purport to make any representation and/or admission regarding and/or concerning ISR or ISR's activities. If ISR finds, however, that Supplier is not coordinating its defense with ISR in a proper manner or fails to defend ISR diligently or if ISR determines, at its sole and absolute discretion, that representation should be by ISR, then ISR may retain the services of attorneys on its behalf and at Supplier's expense, which attorneys will represent ISR in the said Proceedings and may settle such Proceedings, provided that Supplier gives its consent to such settlement in advance and in writing (which consent shall not be unreasonably withheld). For the removal of doubt, the settling of such Proceedings by ISR shall not relieve Supplier of the obligation to indemnify ISR as provided in this Agreement (including without limitation, for reasonable legal fees and expenses incurred by ISR in connection with the enforcement of Supplier's indemnification obligations hereunder).
- 22.3.5. In addition to the above, if ISR is a defendant in any Proceedings, ISR may at its sole discretion participate and retain the services of attorneys on its behalf at its own expense.

In the event that the Supplier's total liability sum as per the above has been fully recovered (whether in one or several events), ISR, at its discretion, shall have the right (in addition to and without derogating from its rights pursuant to the provisions of this Agreement) to terminate this Agreement subject to a fourteen (14) days advance written notice to Supplier.
