Internet address(es):

Main address: <http://www.ypo.co.uk/>

Address of the buyer profile: <https://procontract.due-north.com/register?ReadForm>

I.2)Information about joint procurement

The contract is awarded by a central purchasing body

I.3)Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at: <https://procontract.duenorth.com/register?ReadForm>

Additional information can be obtained from the abovementioned address

Tenders or requests to participate must be submitted electronically via: <https://procontract.duenorth.com/register?ReadForm>

I.4)Type of the contracting authority

Body governed by public law

I.5)Main activity

General public services

Section II: Object

II.1)Scope of the procurement

II.1.1)Title:

YPO - 000939 Fixed Outdoor Sports Equipment

Reference number: 000939

II.1.2)Main CPV code

37535200

II.1.3)Type of contract

Supplies

II.1.4)Short description:

YPO are looking for providers to be appointed onto a framework agreement for the provision of design, supply and installation of outdoor sports and activity equipment including markings, pitches, MUGA, fitness and SEND for use in the education market and local authority sectors. This framework is designed to meet the needs of YPO and other Contracting Authorities by establishing an agreement where the end customer will place the order with the provider and the provider delivered direct to the end customer. The framework is designed to meet the needs of all public sector organisations which includes YPO's internal requirements.

II.1.5)Estimated total value

Value excluding VAT: 60 000 000.00 GBP

II.1.6)Information about lots

This contract is divided into lots: yes

Tenders may be submitted for all lots

II.2)Description

II.2.1)Title:

Playground, Sport and Activity Equipment — Education

Lot No: 1

II.2.2)Additional CPV code(s)

34928400

37535200

37535210

37535220

37535230

37535240

37535250

37535260

43325000

45112720

45112723

45236210

50870000

II.2.3)Place of performance

NUTS code: UK

II.2.4)Description of the procurement:

YPO are looking for provider(s) who can design, source/manufacture and fully install Playground Sports and Activity Equipment as a complete end to end product and service process for use, but not exclusive, within educational environments such as, but not limited to Early Years, Primary and Secondary schools, and Colleges.

The equipment will predominantly be fixed to, or within the ground, but not exclusively.

The types of playground and activity equipment include, but not limited to:

- metal and timber outdoor play, sport and activity equipment.
- adventure trails,
- trim trails,
- climbing equipment,
- activity panels,
- playground – swings, slides, roundabouts, etc.,
- activity walls.

The provider should be able to offer a range of products and design specifications including different dimensions and colours and be able to offer their guidance and expertise and adapt to customers individual requirements, facilities and budgets.

Customers will be able to access the providers full ranges and associated products listed within their websites, catalogues and make products to customers bespoke requirements (if applicable).

II.2.5) Award criteria

Criteria below

Quality criterion - Name: Quality / Weighting: 40 %

Cost criterion - Name: Cost / Weighting: 60 %

II.2.6) Estimated value

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start: 01/01/2020

End: 31/12/2023

This contract is subject to renewal: yes

Description of renewals:

There is a possibility that this framework will be subject to renewal after 3,5 years from the commencement date.

II.2.10) Information about variants

Variants will be accepted: no

II.2.11) Information about options

Options: yes

Description of options:

The framework agreement will cover 1.1.2020 to 31.12.2021 with 2 options to extend for an additional 12 months. The first decision to extend the contract period will be taken by the end of May 2021. The maximum contract period will therefore be 4 years, from 1.1.2020 to 31.12.2023 (subject to an annual review, incorporating price negotiations and KPI performance).

II.2.12) Information about electronic catalogues

II.2.13) Information about European Union funds

The procurement is related to a project and/or programme financed by European Union funds: no

II.2.14) Additional information

II.2) Description

II.2.1) Title:

Playground, Sport and Activity Equipment — Recreational

Lot No: 2

II.2.3) Place of performance

NUTS code: UK

II.2.4) Description of the procurement:

YPO are looking for provider(s) who can design, source/manufacture and fully install Playground

Sports and Activity Equipment as a complete end to end product and service process for use, but not exclusive to, within recreational environments such as, but not limited to, Local Authorities, Borough Councils, Public Play Areas.

The equipment will predominantly be fixed to, or within the ground, but not exclusively.

It is anticipated that this lot will be for larger, high-value project work where more suppliers are able to submit a bid for the project.

The types of playground and activity equipment include, but not limited to:

- metal and timber outdoor play, sports and activity equipment,
- adventure trails,
- trim trails,
- climbing equipment,
- activity panels,
- playground swings, slides, roundabouts, etc.,
- activity walls.

The provider should be able to offer a range of products and design specifications including different dimensions and colours and be able to offer their guidance and expertise and adapt to customers individual requirements, facilities and budgets.

Customers will be able to access the providers full ranges and associated products listed within their websites, catalogues and make products to customers bespoke requirements (if applicable).

II.2.3)Place of performance

NUTS code: UK

II.2.4)Description of the procurement:

YPO are looking for provider(s) who can design, source/manufacture and fully install thermoplastic, or equivalent, Playground Markings as a complete end to end product and service process. For use within educational and recreational environments such as, but not limited to, Schools, Nurseries, Colleges, Recreational Areas, Public Play Areas.

Types of markings include, but not limited to:

- numeracy,
- circuit tracks and trails,
- maps and compasses,
- literacy,
- targets and mazes,
- board games and grids,
- traditional games,
- sports pitches and tracks,
- bespoke designs.

The markings should be anti slip — high friction, non-toxic and lead free.

The provider should be able to offer a range of products and design specifications including different dimensions and colours and be able to offer their guidance and expertise and adapt to customers individual requirements, facilities and budgets.

Customers will be able to access the providers full ranges and associated products listed within their websites, catalogues and make products to customers bespoke requirements (if applicable).
